Diocese of Oxford - Church of England

St. Luke's Church Maidenhead

'Life in all its fulness' MISSION ACTION PLAN 2024-27

Our Vision:

Our vision is to be an inclusive church which enables all people to live life to the full, bringing Jesus' healing and wholeness to people around us. With the whole Diocese of Oxford we seek to become more Christ-like as we live out his teaching and example.

Our Mission:

At St Luke's we aim to grow in faith and encourage each other along the way. As Christian people, strengthened and enthused by our faith in God, Father, Son and Holy Spirit, we are committed to spreading the light of the Gospel into our community, our nation and our world. We are responding to the vision of the Diocese of Oxford to live out the Beatitudes (Matthew 5. 1-10) by trying to be more compassionate, contemplative and courageous disciples of Jesus.

St. Luke's Church family worships in a beautiful, mid-Victorian building which is near the centre of Maidenhead. In 2017/18 we re-ordered the church to make it more flexible and available for whole community use.

We are an inclusive, broad church community. Our worship is varied in style, ranging from specially devised service around themes, to set liturgies from Common Worship and the Book of Common Prayer. Our 10.00 am Holy Communion service each Sunday is at the core of our life. The first Sunday of each month is an All Age Communion service. Our Children and Families Leader supports children's ministry. Messy Church meets monthly on a Friday after school.

Our choir enriches our worship, even while we wait to appoint a new Music leader. We lead a termly International Taize service as part of the Sundays at Six programme, shared with two other churches.

We love welcoming families for Christenings and couples for weddings. We are privileged to support those mourning through our funeral ministry and Keeping Company, a monthly space for the bereaved and lonely.

We seek to serve our parish in many ways, offering a venue for community events, and providing a Baby and Toddler Group and monthly teas for older people. We also promote and host concerts and recitals which attract good audiences.

Many who come find our church a place of comfort, resource and challenge for their lives. We offer a welcome to all who wish to share this journey of faith with us. We have the Bronze Eco Church award and are working on Silver. We aim to become a place of wholeness and healing in our very diverse parish. We have strong links with our Church Primary School.

Our Values:

Inclusivity:

to be a church that welcomes all people and cares for the good of all.

Creativity:

to use our God given gifts in creating stimulating and varied worship and learning activities and to celebrate creativity in all its forms.

Generosity:

to use our building, time, talents and money for the growth of God's Kingdom and the benefit of other people, and to care for creation.

Wholeness:

to seek to deepen our own faith and spirituality through worship, study, prayer and silence; and to encourage others to explore faith in God, and to promote wellbeing for all.

Hospitality:

to share fellowship and food as widely as we can, and enable others to meet with God.
